HoneyComb

Training Materials Management

Sales & Marketing Collateral Management

ISO Document Management

… delivering the most current, relevant and focused information, anytime, anywhere.

BENEFITS

Revolutionizing how companies store, retrieve and capitalize on their most important information.

OUR PHILOSOPHY IS SIMPLE

We enable our clients to collect, store and retrieve their most relative materials in an easy and intuitive manner in order to work effectively and efficiently.

EMPOWER YOUR STAFF

By ensuring they have the latest and most effective materials available.

STORE DATA

quickly and easily by simply selecting key document criteria.

POINT, CLICK & SAVE, IT'S THAT EASY.

INTEGRATION

HoneyComb requires no IT intervention. Our technical staff provides full support to your account administrator.

SEARCH

You'll have the right information at your fingertips simply by selecting your search criteria in preset drop down menus.

STOP WASTING TIME

HoneyComb enables you to find exactly what you are looking for - quickly and efficiently.

Dependency on a key 'information' keepers with corporate history and 'stashed' files is a thing of the past.
